A LOOK AT PRIVATE SCHOOL EDUCATION AND MONEY

Here is an excerpt from Michigan Association of Christian Schools:

“MACS has never advocated for money for Christian Schools.

MACS will never ask for government money for Christian Schools. In this initiative parents will get their own tax dollars back to pay for their children’s education. The Michigan legislature crafted and passed two bills that allowed non-public school parents to get some of their own tax money back to be used for their child’s education. The Michigan House and Senate passed two bills along this idea and both were vetoed by the governor. So now we are taking the matter to you, the people. Dr. Schmig is working with the Mackinaw Center for Public Policy and Great Lakes Education Project to help move the idea of tuition tax credits along.”

As soon as MBS obtains one of these petitions, I will let everyone know if you would like to sign it.

Turn in your order to the secretary with a check or cash. We keep many of the gift cards on hand, so we can fill your order promptly. Otherwise, we place the order on Mondays and have it by Thursday.
