Help!

Our “Kleenex” supply is running dangerously low!

With the lack of ‘winter’ this school year, it seems that the changing temperatures have kept our noses running continuously.

If each student could bring in a box of facial tissue, we would greatly appreciate it.

We will not have classes on Friday the 23rd or Monday the 26th for a brief mid-winter break and to give our varsity basketball team time to participate in the Northern Lights League Basketball Tournament on the 23rd and 24th. Good luck, boys!

Basketball

Last Friday, the Bobcats went up against the DC Knights down in Escanaba. It was an encouraging game for our boys, as they took home a 49-37 W.

On Tuesday, Senior Michael Maloney played his last regular season home game and received a basketball signed by his teammates. Unfortunately, the opposing team, Hannahville, effectively handled the Bobcats. The Bobcats were forced into mercy rules for the first time this season, having a running clock for half of the third quarter and all of the fourth. The game wrapped up 38-85.

The boys kept their heads level and displayed great sportsmanship throughout the game, as well as executing some very well-run plays and sinking some beautiful shots.

Tonight, the Bobcats face off with Maplewood with a 5:30 PM away game for the last game of the season.
