Wild Game Dinner

Munising Baptist Church will be hosting its annual Wild Game Dinner on March 21. The doors open at 5:30 PM. There will be free door prizes, free knife sharpening by Razor Edge Systems, whitetail antler scoring by Commemorative Bucks of Michigan, and a walleye seminar with Terry Parkkonen.

Still in Need

We are still in need of Kleenex. With the winter sniffles beginning to give way to the runny noses of outdoor temperature swings and seasonal allergies, we are in dire need of more facial tissue. If you are able to help us with our tissue issue, please let us know!

First Snow Day

Have we ever been this far into the school year before our first snow day? It seems like we might have set a record when we had our first snow day this Wednesday, February 28. Good thing 2024 is a Leap Year, or we would have missed the end of the month!

Verse of the Month

"He isn't here! He is risen from the dead, just as he said would happen. Come, see where his body was lying."

Matthew 28:6

Basketball Tournament

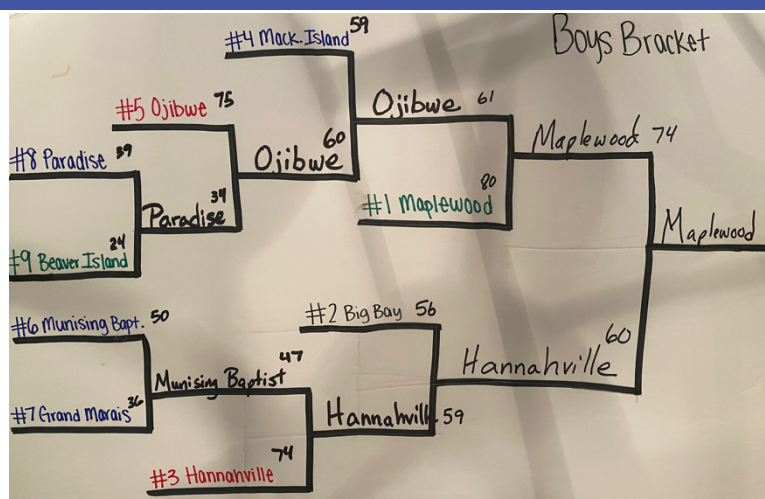

The Bobcat's entered the Northern Lights League conference tournament as the 6th seed. Maplewood hosted the tournament at Rudyard Area Schools, utilizing two of their courts and their larger facilities. The Bobcats first faced the #7 Grand Marais Polar Bears, winning a competitive game 50-36. The Bobcats went on to face the #3 Hannahville Soaring Eagles in the quarter final. Despite solid effort in the second half, the Bobcats fell 47-74. Hannahville continued to upset #2 Big Bay de Noc and progress to the Final, where #1 Maplewood took the title.

MACS Testing

This year, Munising Baptist School participated in an academic testing competition with MACS. Our students competed through tests in a variety of subjects. Three of our students placed in the top three in their subjects out of all schools in the MACS network.

Carson Frederick placed second in the 4th Grade Math exam.

Alta tied for second in the 5th Grade Math exam.

Hailey Hosteter placed third in the 6th Grade English exam.

The exams contained built-in tiebreaking questions, which were only scored for determining the top 5 places. MBS is proud of the following students who did not place, but were within tiebreaking distance: Huxley in 3rd Grade Math; Hunter Norton in 5th Grade Math; Alan Norton, Alexander Frederick, and Audrey Maloney in 6th Grade Math; Ethan Swift and Ezekiel Meskill in 8th Grade Pre-Algebra; and Colt Wright and Trek in Jr. High History and Geography.
