### Daylight Saving Time

This is your semi-annual reminder to change the time on all of your clocks. Your phone and some other clocks may change themselves, but don’t forget about the oven, the microwave, or even your car!

### SAT Testing Day

On Wednesday, March 13, the class of 2025 will be taking their SAT’s in the afternoon. The students taking the exam should be at the school and ready to test by 12:00 PM.

The rest of us can help these students by ensuring a quiet afternoon in the hallways and classrooms. Any interruptions could become a significant problem with the SAT College Boards.

### Secondary Student of the Month

Munising Baptist is pleased to announce Michael Maloney as the Secondary Student of the Month! Michael is a senior and the son of Brent & Becky Maloney. He is President of the Student Council, captain of the MBS Soccer & Basketball teams and nominated for All-Conference in soccer and basketball! Michael shows great school spirit by encouraging others, having good time management, and being attentive in classes. He maintains a positive attitude & pleasant demeanor during sports season regardless of the game outcome. His creative ideas for the student body have helped make the MBS mentor program a great success! His attention to his “little” during this time is an example to the other “Bigs”. Michael’s favorite subject is Math. In his free time, he enjoys going to the gym and spending time with his friends. Great job, Michael!

### Senior Skip Day

Since the juniors will be taking their SAT’s, the class of 2024 will not be required to attend classes. We hope that you are able to find something relaxing and productive to do with your extra time!

### Reminder

Cell phones are not to be used during the school day. They are to remain silenced and in the student’s locker. Cell phones may only be used to message or call with specific permission from the school office.
