Maintaining Personal Hygiene

As the weather warms up and our days become just “that much” more active, it is important to remember some points of personal hygiene.

Regular showers are important for personal cleanliness and odor control.

A majority of MBS students are old enough to need deodorant. Always strive to remember it as part of your morning routine. It would also be good to have a back-up deodorant stick in your locker or your backpack, just in case!

Please make sure your school clothes are clean and odor free each day! One easy way to make sure you have clean clothes for school is to wash your school uniform each weekend, or as soon as it gets soiled.

Don't forget to air out your shoes!

We ALL thank you for your personal effort in this area.

Mackinac Island Jr. Basketball Tourney

For the event on Mackinac Island, we will need to catch the 7:30 AM Ferry from St. Ignace. We will leave the school at 5:00 AM. We will play at 9:30 AM and 12:30 PM. If we place first or second in our group, we will advance to a semifinals game, with a chance of the finals at 3:00 PM (and take the 5:30 PM ferry which is the last ferry of the day). If we place third in our group, we will be free to take the 3:00 PM ferry back to the mainland.

First Elementary Basketball Game

The Jr. Bobcats took on the Grand Marais Polar Bears on Thursday night down at The Pit. Coach Maloney and Coach Norton looked spiffy on the sidelines, and the team looked great in the new uniforms they raised money for last year!

The game had some good competition, and the Jr. Bobcats definitely out-rebounded the Polar Bears. The Bobcats had a hard time finding the bucket, though, ending the first game 18-35.

Spring Haiku

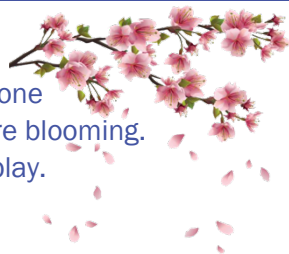

I can't wait 'til Spring,
When weather is warm and dry.
I have fun in Spring.
Hunter N.

Rabbits hop in Spring!
Finches always sing in Spring!
Jumping in water!
Carson F.

The green grass is cold;
The sand is so hot it burns;
The sky is so blue.
Alan N.

Flowers are blooming;
Robins are out and about.
I just love Spring time!
Alex F.

Spring, Spring, it is here.
Wonderful Spring, I love you.
Spring, Spring is in bloom.
Lizzy B.

The snow is all gone
So the flowers are blooming.
Go outside and play.
Audrey M.

It is beautiful.
It is warm and has sunshine.
It is bright and fun.
Alta F.

The white sea has gone.
It slowly melted away;
The small sprout will grow.

Daffodils are out,
Waking from their long, cold sleep,
Basking in the warmth

The lifeless trees bud,
Coming back to life again
After their long rest.
Hailey H.
