Personal Hygiene

It is important to remember some points of personal hygiene.

Brush your teeth.

Bathe or shower regularly.

Remember deodorant as part of your morning routine. Have a back-up deodorant stick in your locker or your backpack, just in case!

Wash your school clothes every weekend and whenever else they may get stained or smelly.

Don't forget to air out your shoes!

Bring clothes for PE class, so that you don't have to sweat in your school clothes.

We ALL thank you for your personal effort in this area.

Tuition Due

Tuition for the 2023-2024 school year is due on April 20 (tomorrow). Since the due date falls on a weekend this year, please have your tuition payments ready by Monday, April 22.

You should have received your tuition statement in the mail during Spring Break. If you need a new tuition statement or need to work out a payment solution, please contact Pastor Ethan.

Verse of the Month

"Now the Lord is the Spirit, and where the Spirit of the Lord is, there is freedom."

2 Corinthians 3:17

Season Totals**

Elementary: 1-5

6th-8th: 3-0

Varsity: 6-13

Elementary Basketball

On Saturday, the Jr. Bobcats travelled to Mackinac Island to take place in their Junior Hoops Tournament. Six teams were in attendance: Mackinac Island, Beaver Island, Paradise, Munising Baptist, and two teams from Hannahville.

The Jr. Bobcats were in "Group B" with Paradise and Hannahville B. We faced off with Hannahville B in the first match of the day. Even though the Bobcats played well, Hannahville took the game. In the second game, we faced off with the Paradise Rockets. The Bobcats were able to take the win on that game,

placing as the Group B runner-up. As Group B runners-up, the Bobcats then faced the Group A winners, the Mackinac Island Lakers.

It was a thrilling match up, and the Bobcats used all of their developing skills to keep it a pretty tight game. Mackinac Island, however, was gracious enough to take the win and let us depart on the 3:00 PM ferry back to the mainland.

Schedule

April 23 AWAY @ Grand Marais 5:30 PM

EI. Basketball Cont.

On Tuesday, the Jr. Bobcats faced off against the Three Lakes Academy Bobcats! The game was a close matchup, with Carson, Lizzie, Max, and Audrey grabbing the rebounds. The Three Lakes Bobcats took the victory 13-18.

Thursday evening the Jr. Bobcats made the trek out to Kinross, to take on the Maplewood Black Bears. Maplewood was able to field a large team this year and took the W, but the Bobcats fought hard and never gave up!

Secondary Student of the Month

Munising Baptist is pleased to announce Olivia Exelby as the Secondary Student of the Month! Olivia is a senior this year and Co-Captain of the MBS Ladycat Volleyball team. She has had a great experience with the internship program that was offered at MBS. She sets the tone for the school day by encouraging the students through daily music, announcements, and Scripture reminders. Her dedication & diligence to organizing and volunteering at multiple fundraisers for the school has been a great example to her peers. Her favorite subject is Speech. In her free time she enjoys hanging out with friends, her sister and her brothers. Great job, Olivia!

Elementary Student of the Month

Munising Baptist is pleased to announce Hunter Norton as the Elementary Student of the Month! Hunter is in Mrs. Heyrman's fifth grade class and is the son of Joe & Beth Norton. Hunter is a leader in the classroom who shows kindness and compassion to his fellow students. Having six brothers has helped him grow in listening, being considerate of others, and always being willing to lend a hand when needed. Hunter has made great strides this year academically, jumping two grades! His favorite subject is spelling. In his free time, he likes to relax, play with his brothers, get ice cream & swim. Awesome job, Hunter!
