Report Cards

Our 3rd quarter of the year is over, and there is only 1 more to go! Report Cards go home with the students today. Please make sure to review them, sign them, and return them!

Standardized Testing

We will be taking the IOWA standardized tests as a school the week of April 7-11. Please ensure that your students do not have appointments or expected absences during this time. If your student's absence cannot be avoided, please make sure the school office knows so that IOWA testing can be scheduled appropriately. All students taking the same test must be present at the same time for testing to continue.

Ministry Opportunity

Pastor Jason is organizing a work group to go down to Gaylord and help clean up tree debris for some friends of Munising Baptist. Adults and mature teens can talk to PJ about getting involved. Participation will not harm the school attendance record.
