Wild Game Dinner

Thank you to all those who came out and supported our Wild Game Dinner! We had more first-time visitors than we were expecting, which is GREAT problem to have! There were over 180 in attendance, plus the numerous volunteers. Thank you especially to our students and teachers who gave of their time to help with this outreach event.

Standardized Testing

Next week, April 8-12, our students will be participating in the IOWA standardized testing program. This process keeps us accountable and helps us better understand the needs of our students.

Please make sure that your students have had a good night's rest and a hearty, nutritious breakfast, so that their mind and body are in the best state for these tests.

Welcome Back from Spring Break

We hope that you had a great spring break, full of fun, relaxation, and maybe even adventure!

The Yearbook committee requests that you provide them with pictures of the fun things you did throughout spring break. We would love to see what you and your families did during the school break!

Second Winter Haiku

By Pastor Ethan

Spring was almost here.
Tulips and daffodils grow,
But snow covers them...

Blowing through the town,
We hope the last of Winter
Has come 'til next year.

False Spring is no fun.
It only gives hope of warmth
Just to steal it back.

Spring break has finish'd,
But Winter finally came—
So tardy and rude!

Students love snow days,
Some teachers like them, as well
(Not Pastor Ethan).

Can you write Haiku?
Try it and give them to me!
Make them about Spring.

BIGlittle

Mission Project

On Thursday, our BIGlittle groups were able to pair up to make potholders and braid jump ropes from cut T-shirts.

These jump ropes will be used in the fall to help fill the gift boxes for Operation Christmas Child!

We made 84 jump ropes!!!
