

THE BOBCAT CRY

October 14, 2022

Issue Number: 7

PAY TO PLAY

In order for a student to participate in the sports program there is a "Pay to Play" fee. The cost to participate in sports is \$200 per athlete per sport with the chance to recoup up to \$130 with various fundraising opportunities. Throughout the year, the school institutes fundraisers that range from pizza sales, bake sales, work tasks, spaghetti feeds, etc. If a student athlete participates in a fundraiser that requires time spent (working tasks), that student athlete will be credited \$10 per hour. For fundraisers that require sales, the student athlete will recoup 50% of the total net profit that was sold by the individual. If there was more than one student involved in the sale, the fundraiser will be distributed evenly among those involved and given the 50% credit. All of these opportunities can lower the "Pay to Play" fee to a minimum of \$70 per sport.

MEET THE BOBCATS!!

#4 Dylan Swift

Dylan is in the ninth grade here at MBS and in his 4th year as a player on the Bobcat Soccer team! His current position is “left striker” which happens to be his favorite! His only words of wisdom to the younger players was “Run!!!” Great advice Dylan, especially if a rooster is chasing you!!

#1 Alliana Mickelson

The Ladycats have welcomed Alliana to her first year as a volleyball player! She came to us this year and is in her sophomore year at MBS! She plays “left” which is also her favorite because “that’s all I know so I guess it’s my favorite.” As a novice herself, her advice to the next up and coming players is “please shuffle and keep your eye on the ball!” Have a great first year Alliana & welcome!!

***Many thanks to our current Bobcats and former Bobcats who treated us to a night of great entertainment on Tuesday during the alumni games. It was very kind of our varsity players who took it easy on the alumni players and let them squeak out a couple of victories.**
