PROGRESS REPORTS

We are halfway thru the first quarter! Progress reports were sent home this week, please return the slip, signed by a parent, by Monday, Oct. 10th.

PAY TO PLAY

In order for a student to participate in the sports program there is a "Pay to Play" fee. The cost to participate in sports is \$200 per athlete per sport with the chance to recoup up to \$130 with various fundraising opportunities. Throughout the year, the school institutes fundraisers that range from pizza sales, bake sales, work tasks, spaghetti feeds, etc. If a student athlete participates in a fundraiser that requires time spent (working tasks), that student athlete will be credited \$10 per hour. For fundraisers that require sales, the student athlete will recoup 50% of the total net profit that was sold by the individual. If there was more than one student involved in the sale, the fundraiser will be distributed evenly among those involved and given the 50% credit. All of these opportunities can lower the "Pay to Play" fee to a minimum of \$70 per sport.

MEET THE BOBCATS!!

#22 & #5 Leighla MacArthur: Leighla is a sophomore this year! She plays both Bobcat soccer & volleyball! She is on her third year in soccer, playing defense which is also her favorite position. For volleyball, this is her first year as a LadyCat and plays “left but her preferred position is “middle”. The only advice she had for anyone was “Run!” Thanks for that advice Leighla! We will not do that if we are being chased by a bear however!

#6 Isaac Beaverson: Issac is in the eighth grade here at MBS but in his first year as a Bobcat soccer player. He currently plays “left mid-field” but his favorite is “middle mid-field.” He had some advice to share...”Learn to run and get hurt but get over it.” Hmm, wonder where he has learned that from? Have a great first season Isaac!!

STUDENTS OF THE MONTH!!

AJ has a remarkable gift with those younger than him, showing them how to solve problems and learning to be kind to all. His favorite subject is science. In his free time, he enjoys playing with his brothers, dancing, and listening to music. Fantastic job AJ!

William Norton

William Norton is Munising Baptist School's Secondary Student of the Month! Will is in the eighth grade and is the son of Joe & Beth Norton. Awesome job Will!
