Mission Highlight!!

During Spirit Week this past October, the students raised \$280 for the Care Clinic in Marquette by games that the student council had chosen.

The Care Clinic's mission is to empower women and men to make healthy choices for themselves and their children by counseling them with truthful information about their unexpected pregnancy. They offer physical, emotional, spiritual, and educational support that equips them in parenting and life skills and develops a heart attitude that values life. The Care Clinic strives to change our culture, fostering a reverence for human life so that abortion is unthinkable and the wounded may be healed. In 2006 they became a Limited Medical Clinic with ultrasound capability and in 2007 they established a Men's Mentoring Program.

This is a great ministry to be involved in! We will be joining MBC at the beginning of the year to help raise funds through the Baby Bottle Boomerang Fundraising Event! Watch the Bobcat for more information on that after the holidays!
