PAY TO PLAY

In order for a student to participate in the sports program there is a "Pay to Play" fee. The cost to participate in sports is \$200 per athlete per sport with the chance to recoup up to \$130 with various fundraising opportunities. Throughout the year, the school institutes fundraisers that range from pizza sales, bake sales, work tasks, spaghetti feeds, etc. If a student athlete participates in a fundraiser that requires time spent (working tasks), that student athlete will be credited \$10 per hour. For fundraisers that require sales, the student athlete will recoup 50% of the total net profit that was sold by the individual. If there was more than one student involved in the sale, the fundraiser will be distributed evenly among those involved and given the 50% credit. All of these opportunities can lower the "Pay to Play" fee to a minimum of \$70 per sport.

Dear Students at Munising Baptist School,

Thank you for your generous gift! When you give to Care Clinic, you are sending a message that you care and that it matters to you that someone facing an unplanned pregnancy has a place to go. You are telling them that you want to be a part of their healing and their road to hope.

In this month of Thanksgiving, we are so thankful for your partnership. Your generosity is helping us establish a strong life-affirming outreach in our community that saves and changes lives! Thank you for being a blessing to the Care Clinic ministry and may God bless you abundantly in return.

Sincerely,

Greg Gostomski
